

Don't be left in the dark.

Install a new Generac Home Stand-By Generator

INSTALLED STARTING
AT \$5,497

**6 MONTHS
0% INTEREST**

With the Generac line of propane and natural gas Home Stand-By Generators, you can have power when everyone else has none. Keep your lights lit, the refrigerator running – even the well & sump pumps and other critical electrical components going. Don't be left in the dark. Call us for all the details on Generac's Home Stand-By Generators.
